Review of progress in the implementation of the Programme of Action for the Least Developed Countries for the 1990s

The Board approved the summary of discussion in paragraphs 63 to 69 of document TD/B/39(1)/SC.II/L.2/Add.2 and approved the Chairperson's statement in paragraphs 70 to 72.

The Board also endorsed the decision of the Special Sessional Committee in paragraphs 73 to 75 of the same document, whereby the board decided that two special issues would be the subject of in-depth review by the Board at its spring 1993 session: (a) domestic and external resource mobilization, including debt situation and management; and (b) improving trading opportunities.

By the same decision the Board noted that, in accordance thit the Cartagena Commitment, the donor countries had reaffirmed their determination to implement the commitments they had undertaken in the Programme of Action with regard to ODA to the 41 countries on the list of least developed countries at the time of the Paris Conference, and decided to consider at the spring 1993 session the effects the newly-added countries would have on the additional resources requirements of the LDCs as a whole. The Board also urged donors' to consider providing extra-budgetary resources to facilitate participation of LDC delegations in the future reviews of the Programme of Action undertaken by the Board.

The Board took note of the report of the Special Sessional Committee and decided that it should form an integral part of the full report of the Board's proceedings.

Export promotion: report of the Joint Advisory Group on the International Tade Centre UNCTAD/GATT on its twenty-fifth session [10 (a)]

Statements were made by the representatives of Norway (also on behalf of Denmark, Finland and Sweden), Brazil (on behalf of the Latin American and Caribbean Group), the United Republic of Tanzania, Cameroon, Egypt, Côte d'Ivoire and Bangladesh (on behalf of the Asian Group).

The Board took note of all statements made under this item pertaining to the International Trade Centre UNCTAD/GATT.

The President informed the Board that all of the principal concerns expressed in the Board under this item would be reflected in the statement which he would make to the Second Committee of the General Assembly, when introducing the Board's report to the Assembly.

Review of the calendar of meetings [12 (f)]

A representative of the Secretariat made an explanatory statement.

The Board formalized the inclusion of the first session of the Intergovernmental Group of Experts on Iron Ore (26-28 October 1992) and the first session of the Intergovernmental Group of Expert on Tungsten (7-11 December 1992) in the calendar, and requested the Standing Committee on Commodities to review the status of these two bodies and to decide on their activities from 1993 onwards.

The Board approved the calendar of meetings for the period up to 14 May 1993 and the draft indicative calendar of meetings fo the remainder of 1993 in TD/B/39(1)/L.2, as orally amended by the secretariat.

Administrative and financial implications of the actions of the Board [12 (g)]

The Secretary of the Trade and Development Board made a statement, informing the Board that the administrative and financial implications of the decision made at the current session to establish an ad hoc working group to explore the issue of structural adjustment for the transition to disarmament would involve deployment of UNCTAD staff resources and conference facilities; but that these cost would be absorbed in the resources already provided in the programme budget for the Board's subsidiary bodies and relevant provisions.

The Board took note of the above statement.

Other business [14]

Membership of the new Standing Committees and Ad Hoc Working Groups

The President recalled that in July 1992, the Secretary-General of UNCTAD has addressed communications to States members of UNCTAD, requesting them to inform the secretariat of their wishes regarding membership of the four Standing Committees and the five Ad Hoc Working Groups established by the Conference at its eighth session.

The Board confirmed the membership of the four Standing Committees and the core membership of the five ad hoc Working Groups, as reflected in TD/B/39(1)/CRP.4/Rev.1, and mandated the Bureau of the Board and the Secretary-General of UNCTAD to consider and take a decision on any further applications for membership received prior to the second part of the Board's thirty-ninth session.

The Secretary-General of UNCTAD made a statement, recalling the broad agreement which had been reached at the Executive session of the Board and reporting on agreement reached at subsequent consultations with representatives of States members of the Bureau and interested delegations, concerning the modalities for administering the new bodies.

The Board endorsed the arrangements announced by the Secretary-General of UNCTAD.

Communiqué by the President of the Trade and Development Board at the first part of its thirty-ninth session

The President presented orally the text of a Communiqué covering the work of the session and embracing the topics of interdependance, reform of public entreprises, sustainable development, national transparent mechanisms, the least developed countries, the New Agenda for Africa, transition to disarmament, orientations and priorities, and methods of work.

Adoption of the report of the Board (TD/B/39(1)/L.3 and Add.1-9)

The Board adopted, without amendments, its draft report and authorized the Rapporteur to complete it with the proceedings of the final plenary.

The Board also authorized the Rapporteur, under the authority of the President, to prepare the report to the General Assembly, as appropriate.
